Our Corporate Family

Together, we can provide our customers the most comprehensive services on a global scale.

CSI's parent company, **Tokyo Century Corporation (TC)**, is one of the largest financial services companies in Japan, providing strategic value-added financial services on a global scale through its subsidiaries and affiliates worldwide.

- 8,100+ employees
- 30+ countries and regions
- \$40 billion USD in segment assets (March 2025)

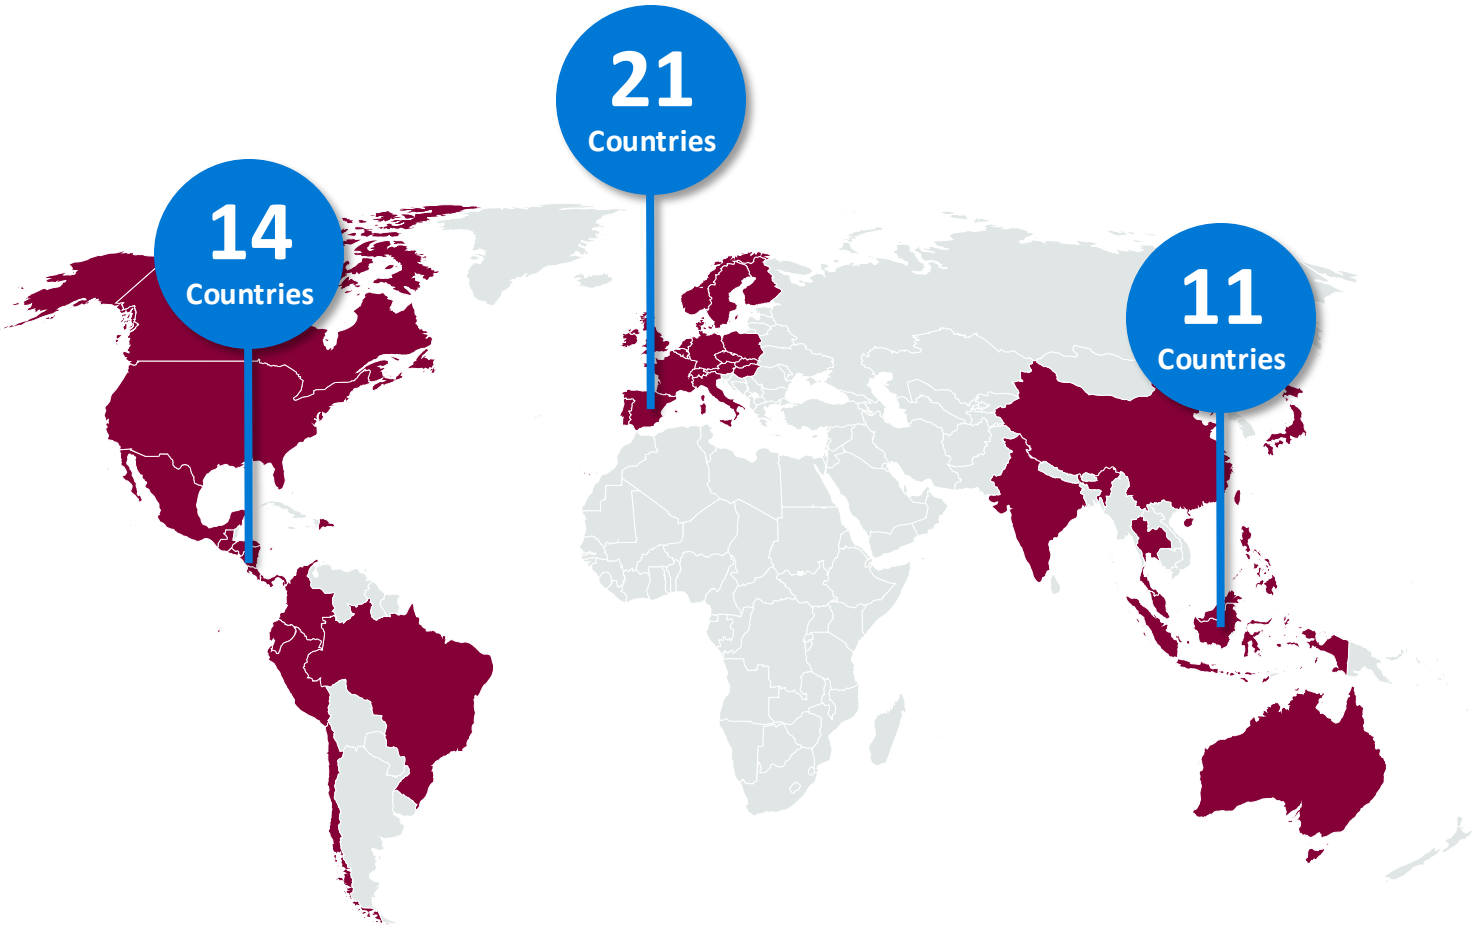

CSI's subsidiary, **EPC Global Solutions (EPC)**, is one of the world's leading global ITAD providers, helping companies securely dispose of end-of-life IT, achieve sustainability goals and maximize their return on their IT investments.

- 600+ employees globally
- 20+ owned locations plus vast vendor network
- 90% of assets received are remarketed

Global Reach, Local Feel

Easily centralize and control your lease program on a global scale.

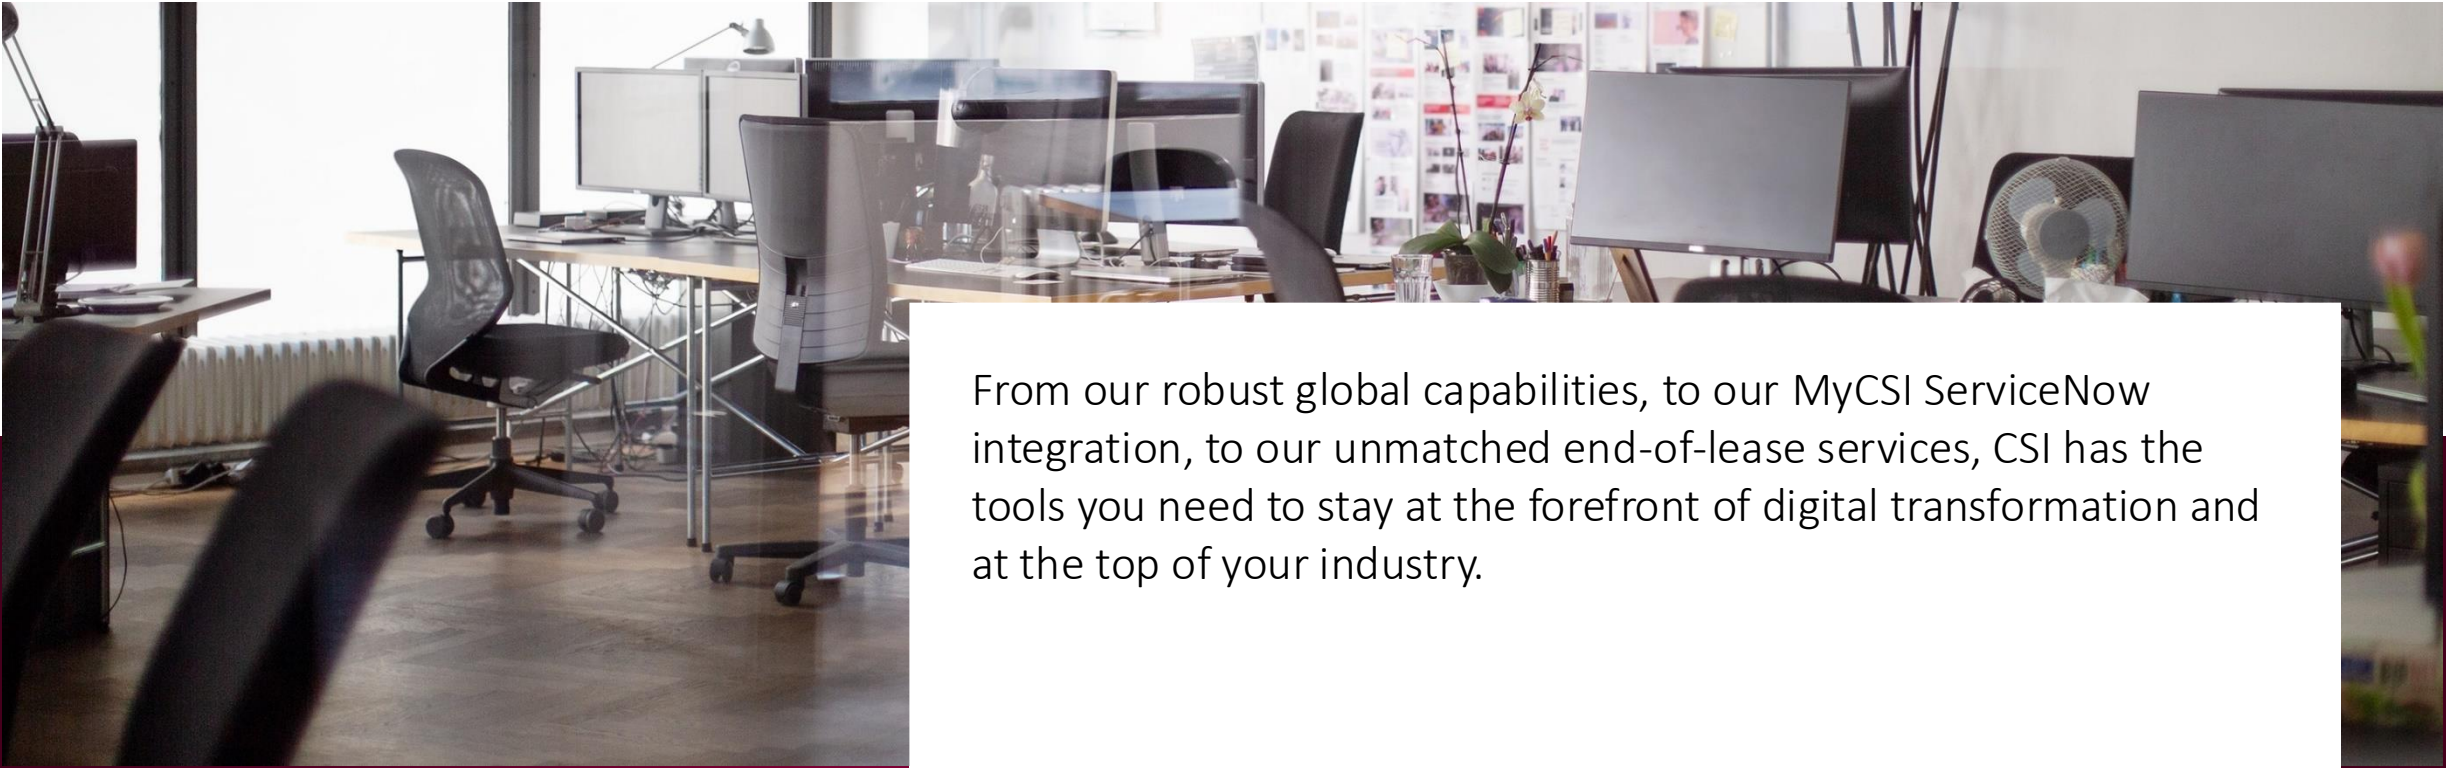

- International master lease with common terms and conditions gives you an efficient way to manage equipment worldwide.
- Global coordination desk provides onboarding, application demos, specialized training and continued support throughout the life of your lease.
- In-country specialists speak English and local languages and understand local regulations to help monitor leases globally on your behalf.

EXIT

From our robust global capabilities, to our MyCSI ServiceNow integration, to our unmatched end-of-lease services, CSI has the tools you need to stay at the forefront of digital transformation and at the top of your industry.
